The Premises:

unsigned (but numbered) doorway on busy main road. once up the stairs and through the security door, its a clean and tidy place.

The Lady:

about 5'6 slim brunette, great tits be they real or not. could be anywhere between 25 and 40 - i'm rubbish with ages, shes not a teenager or schoolgirl fantasy type though.

The Story:

i'd gone to Crewe due to some odd above inflation price rises in some stoke parlours that arnt, in my humble opinion, always being reflected in the quality of service. having checked brooklyns website and read other reports on here i figured an extra 20 minutes travel might be worth it.

Boy was it worth it. Morgan literally pounced on me as soon as she entered the room. She gave truly great oral, to the extent that i wasnt sure she had put a condom on (she had, with her mouth) then she demanded doggie and has such muscular control and grip that mission was accomplished fairly quickly.

First thing i did when i got home is check the brooklyns rota to see when she is on next so i can go back - that good.
