The Premises:

Well reported on by me

whilst on the main road next to Akbars resteraunt there is at the rear a very discreat entrance the rooms are suitable for the perpose they are used for with showers and fresh towels available and on arrival tea or coffee is offered by the receptionist who i have always found to be of a very pleasant nature.

The Lady:

Misty stands at a very Vivacious 5/6 tall petite size8 figure supporting a 36c bust, long brunette with a lovely pair of come to bed baby blue eyes.

Not fully shaven this makes a refreshing change these days and a very posh accent not your usual type of girl you find working the parlour scene,Just to mention her friend sarah was also working who is also a stunner but was busy when i visited.

The Story:

Misty conducts her self very attentive in the room making sure that no part of your anatomy is over looked with a gental to firm massage to start with and the usual Extras offered for extra payment

she was very thorough in making sure i was satisfied and left the room with a great big smile as i said not your usual rushy pushy type i would guess she has worked down south before in the city

as she came acroos very seductive and had great knowledge in just how to excite and tantalise me into the ultimate subbmision of shooting my load
definate definate recomendation for this sexy little vivacious vixen
