The Premises:

Very clean, spacious flat. Located in a very central area, totally safe, well lit and easy to get to, as she states it is literally 2 mins from central station. Buzzer controlled entry. Bedroom at a decent temperature and the lighting was adjustable. Plenty of clean fluffy towels available before and after. Chair available for your clothes, sadly lacking in so many places these days.

The Lady:

Petite lady in her early 20s, 5'4 size 8, shoulder length brown hair, beautiful natural figure with 36c breasts and very responsive nipples. Naturally dark skinned, no fake tan here. Very bubbly and cheerful person.

The Story:

Answered my call and said she was available at short notice. Excellent directions and I was soon being let in to her place. Met with a big hug, beautiful smile and tongue down my throat. Offered shower and drink. Really likes to kiss and we had some mutual fondling before I slipped off her basque and started a DATY session, Nicole is very responsive and came shortly afterwards. She started OWO on me and I entered her in mish. Second round was initiated by Nicole by more OWO and I finished in doggie.

Overall a very enjoyable punt with a bright, cheerful and sexy girl. Extremely hard to find these days. A real gem.
