The Story:

Having never been to Bedford before, I did some research on P Net and found Intimate Massage. What a great place this is. I was introduced to Donna who then spent the next 30 mins taking care of me in every way possible. She is a tremendous girl who has your interests at heart and gives you pleasure without making it seem an imposition. I had a great punt, came like a fountain and left with a big smile on my face. Will certainly be back.
