The Premises:

Julia is in a small, immaculately clean, modern town house not far from Telford town centre. There are bath/shower facilities available. The parking is discreet and safe. No worries by day or by night. Her directions to get there were clear and concise.

The Lady:

Cute. A lovely slim 5'2" package with really smooth skin. She has big eyes, great legs, lovely boobs and some small tattoos. Dark hair cut in a bob.

The Story:

I had a great visit. Julia met me in "day clothes" and, as it was our first meeting, we chatted for a short time whilst I explained what I wanted. I was then shown upstairs to a lovely bedroom (offered the bathroom) and Julia briefly left to change into some very pretty undies and high heels.

We then spent a wonderful time entwined together on her bed - kissing, stroking and caressing. She is a sexy, feline lady with a fabulous "touch" and she knows just how to excite a man. Oral was covered with lots of eye contact during it.

A second, longer visit is a certainty.

My recommendation is unqualified.
