The Premises:

Dicreet block of flats very close to Earls Court station. Clean inside, decent shower, comfortable and warm.

The Lady:

Petite, good looking, slim young Hungarian girl. Lovely pert breasts and good sized nipples. Shoulder length hair. Lovely really.

The Story:

When I got to the flats and Sandy let me in the first thing that struck me was how petite she is - she really is about a size 6.

So we go to her flat, I have a quick shower, and we chat for a few minutes before starting some nice light to deep kissing. She has a tight top on and no bra, and her nips were poking out through the material. Eventually her top and trousers came off, and we fooled around getting each other aroused.

Before long I was getting some great OWO and because she's so small it makes one's cock look big :-). She has a good technique and when I reached under her knicks she was pretty wet. We carried on OWO and then 69. She does a nice turn of playing with herself too. All of which was just making me more and more horny.

We eventually got the condom on and indulged in several positions. We finished with me standing next to the bed - watching her suck me off in the mirror and eventually coming over her .

She's a lovely girl, great VFM and I am going back for a 3-some with one of her friends.

Thanks Sandy ...
