The Premises:

Rather shabby downstairs but much better in the "work rooms" upstairs. The middle room, which we used today was comfortably furnished and with a large corner jacuzzi bath. However the bed is very close to the old built in fireplace and it is a squeeze to get between the two when undressing/dressing. Plenty of free parking nearby and on a bus route.

The Lady:

Tall and leggy Spanish woman in, I estimate, her early to mid thirties. Long tightly curled fair hair with attractive pink highlights. Small to medium sized breasts, but a lovely shape, with impressive nipples and nice and soft. Very pleasant, outgoing and friendly personality, so different from Victoria who I saw here last week!

The Story:

Plenty of foreplay followed by covered "O" levels to a good standard. I then enjoyed myself lapping at her luscious thick pussy lips and clitty, lovely and clean and fresh down there!

Sex in two positions culminating in doggy

No go areas with Kim are any form of kissing, contact with her face and fingers in her pussy. I did not ask about "A" levels! As long as you are content to avoid the above you should should have a very pleasant and satisfying time with her.

Strong Recommendation - Well up to the standard I had come to expect from Honeyz.
