The Lady:

long dark brown hair, 30 years old, no make up,natural breasts,good figure, no photo on website but said she may go on in 2010.

typical thai girl we all know and love.

The Story:

i was undecided about posting this FR but felt it would be a good contrast to my last post.

i was offered this girl at a reduced rate due to a mix up. i hastily dashed down to meet her at short notice.

i rang her doorbell, she was slow answering [maybe still in bed] she opened the door and was dressed with a silk housecoat around her.

"you got here very quick, the agency just called me, i'm not realy ready"

she opened the housecoat to show she was naked underneath.

"take a shower,darling while i dress for you, what would you like me to wear?"

of course i went for a sexy short skirt.

quick in and out and back in the room to watch her dress, hold up stockings to complete, think she gave me a drink but can't remember.

sonya was smiling,happy and singing and seemed so pleased to have me visit unexpectedly.

she asked do i want a massage but i said no i wanted to get down to business, handed over the envelope, she counted it.

more smiles and singing to herself.

she laid back on her bed and i gave her a good licking and she orgasmed wrapping her legs round my neck, shaking with excitement,

"oh god, you are so good, you are a professional, ... can you come back tomorrow and see me again?"

i continued to give her lots of oral and a good arse licking.

"now, it's your turn" she said.

i laid back and she gave me a good rimming very well done then showed me her two dildoes, one thin one fat.

"which one you want darling ? i fuck your arse now"

"let's start with the small one" i said

she was expert in this department and i lay back ,legs up while she slowly, carefully went to work on me.

changing to the big cock she went in me with a strapon slowly and wanked me till i came.

we took a break and she did a bit of massage, then said she would make me cum again i told her i don't think i can make it a second time, she gave me a good sucking, lots of kissing and put on a rubber glove and wanked me fast while her ungloved fingers went up my arse. the effect of the rubber gloved handjob had me cumming again.

"good boy" she cried out.

i was surprised i came twice in an hour. i haven't done that with one girl for years [for that sonya deserves a good report]

back in the shower again. she told me i have good legs,

"like a ladies legs", she said. lots of hugs and kissing and again asking me to come back tomorrow.

she really enjoyed herself and her pleasure made me happy, i like to satisfy a girl. she was happy to get my business and showed it in the true thai way.

my time was up. she told me i could stay longer if i wanted but i was exhausted, so best to leave, kiss, kiss, and out the door, back on the cruel streets of london.....
