The Premises:

Nice clean flat, on the outskirts of the city centre near to the train station. Clean and tidy, good street parking. Door intercom.

The Lady:

Japanese girl, 21 (not so sure about that), size 8, 34C, firm body, great boobies with big nipples!!

The Story:

Great girl, lots of energy and a funny quirky personality. Came in to the room, quick kiss and a cuddle. Then she started to strip me. She then knelt down as she wanted to introduce herself to little Robbie and boy did she introduce her self. A great blow job.

Then onto the bed .. this girl can kiss like an electric eel!! Then onto to relentless sex, she fuck me so hard we ended up snapping the struts under the mattress - she then continued to shag me and the mattress through the hole in the bed. Great fun - felt a bit guilty about leaving her with it broken but she didnt seem to care.

A great punt, a lovely girl who really seems to like her sex.
