Notes: Formerly Notorious Girls NW

The Premises:

well reported establishment, clean, basic, usual shower facilities, drinks, nice receptionist, easy to find.

The Lady:

very very sexy girl next door type of looks, slim & not skinny rake type (size 8 ish), cracking ass and perfect proportion well hung soft natural breasts, toned but not to toned. Very sweet and sexy not the usual slutty tart type but more of a sexy sultry long dark haired goddess type. nice soft kissable skin.

The Story:

well reported girl so thought I'd see what all the fuss was about. quite new to this whole scene and only seen about 10 WG's but this one was on a whole new level, After a couple of poor experiences I try to look for GFE when booking a girl and most girls that advertise GFE don't really follow through with it but Tamzin certainly does, straight from the off she is sensual and makes you feel like she wants to be there. offered the money and she said I can pay after, I put the money on the side & she didn't even count it, asked me if I wanted a shower, went out of the room and when she came back in I was gobsmacked with her beauty !!! WOW !!

made me feel very comfortable then straight into the best OWO ever and I mean ever. my god I'll try and keep this short because I could go on and on about how amazing her BJ's are..... she's very sensual making close contact and positioning herself in picture positions and the amount of saliva she produces without the need for spitting is truly outstanding definitely the wettest blow job ever, superb tongue techniques sending tingles down places I didn't know I had excellent ball sucking which I usually don't like but she knows exactly what she's doing, even when she uses her hand it feels amazing.

Then on with the hood and onto cow girl, she really does know how to tease, positioning herself perfectly in control with her perfect bald pussy above my cock just like a genuine GF ready to take me bareback as she leaned in close obviously bareback was never an option but she manages to

pull of a teasing elusion that was amazing. shes great on top not like many girls that just bounce up & down shes a grind girl (oh how I love a girl who can grind in cowgirl) she was perfect, very sensual grinding away arching her back and then leaning forward at just the right point and making my ejaculation all the more intense..

After I had cum she laid close for a while then pulled the hat off cleaned me up laid close and we just chatted for a while, very easy to talk to and very down to earth. I've found some girls a bit closed off and sort of worried to give anything away about there true person but not tamsin we were just chatting away like friends and she has a very attractive personality, intelligent but with that sexy ditsy sort of thing going on..... all in all made me very comfortable and quickly made me ready for another go.....

straight down to that awesome OWO again then into mish, I wanted mish as I wanted to see that beautiful face and body & what I got was far beyond my expectation. I never knew missionary could be that good she started by positioning herself so I couldn't fully deeply penetrate her and wrapped her legs around me with her heels on my arse, at one point she even managed to play with my balls arching her back up then just at the perfect moment again she pulled me close and let me deep inside making the whole thing very hot and sensual, moaning and kissing my neck until I shot my load, once I had come we laid close me still inside her for a while just kissing each others bodys etc... and it did feel for a moment like a real GF.

At this point we were over my time but you wouldn't have known it as we just laid there talking, she never even got up to get dressed first, even after we had gotten dressed I stayed for a while just talking and then she made sure to give me a kiss etc before I left.

In summary If your after the full GFE, someone sensual and genuinely attractive and sexy in a non slutty way who will make you feel at ease (perfect for first timers) then tamzin is your girl and on top of all that she gives a cracking blow job and really knows how to fuck knowing the perfect moments to pull you really close and make you feel for a second like shes a genuine GF.....

just as a final note, I only punt so I can fuck lots of different sexy attractive women & I never thought id see the same girl more than once but tamzin you've broken my one time rule I have to see you again, treat her well boys shes a gem.
