The Story:

I half expected her to cancel the appointment because of the snow so I was pleased when she didn't and even more pleased when I saw her . We went to the bedroom where she undressed down to some very sexy red undies and got into a warm bed , nice . I joined her and plenty of kissing and cuddling followed as she took them off revealing the lot , absolutely gorgeous . She gave Oral without , which I really enjoyed and I then returned the favour at length which pleased her . After covering up with the mac we had sex , mainly in missionary (my choice) . No more details but it was very good to put it mildly . We had a cuddle in spoons for a while and chatted about life and beds .

Apart from having a really sexy body , she is a very friendly , down to earth girl with a cracking sense of humour . I remember she gave me a few good laughs as well . What more can you ask for really ? Well , after her break , another appointment . Highly recommended .
