The Lady:

Attractive girl. Definitely better than her photos. At least at 8. Long hair. 6" tall and was wearing heels. What a body. Really. What a body. Slim and toned. Fantastic long legs. Beautiful arse. Large breasts (suspect enhanced but was too scared to ask!). Tasteful Japanese symbol tattoos down her upper spine, another tattoo in the small of her back and right belly. Belly piercing, clit piercing. For me, simply all round f--king sexy.

The Story:

I debated seeing Celine for quite some time. Was never sure how attractive she'd be based on the photos on the Bubbles website. I needn't have worried. No way do they do her justice.

She was friendly. Chatty and intelligent. Not afraid to voice an opinion which might not work for some. Soft and gentle she is not. Clothes came off and ran my hands up and down her very long and lovely body. She kissed me which got me hard in an instant. Good kisser, but not much of it. On with the condom for oral with. Have to say, she can really suck, but covered oral is a bit like eating lemon tart with a clip on your nose as far as I am concerned (you know it's nice but can't actually taste it!).

She got on top. The sight of those breasts with pert nipples was fantastic. She was quite energetic. Seemed quite in to it. We turned over into doggy, then asked her to stand against the wall to finish off in standing doggy (not often I get the chance with a girl the right height for me). And boy was she giving as good as she got.

Overall, very good experience. The only cloud on the horizon is that after we'd finished and she had freshed up, she left straight away even though she'd only been with me around 40 mins. Personally I like some cuddle time, but the rest of the experience was good enough to recommend despite that.
