The Story:

She made me feel at ease right away, she is quite a talker and we chatted like old friends. We started kissing passionately and soon enough our clothes were on the floor, so on to the bed we go where she starts expertly licking and sucking on my now throbbing cock. Plenty of eye contact and she could see I was in sheer bliss, not wanting to come so quickly it was time to return the favor. She has wonderful shaven pussy and responded with the most pleasing sounds as i licked and sucked on her clit while inserting fingers into her dripping wet hole. I always like looking at the face of the girl while I'm having my appetiser and hers was quite a lovely sight while she came.

On to the main course, starting with her on top. nice and slow at first moving on to a more frantic pace, I'm squeezing her huge tits together while she is pounding and grinding for all her worth. We both come at the same time which was very satisfying.

After cleaning up we chat for a while, well she does most of the talking.

Round two was pretty much the same process but a few more positions. This time with me doing most of the hard pounding finishing in doggy while she was clinging to the bed sheets for dear life.

All in all a great session with a gorgeous, sexy, chatty, busty babe!
