The Lady:

5'6 brown skinned girl from Italy, voluptuous lips (a bit too much for me) I would hazard a guess at late 30s, early 40s.

The Story:

A little dissapointing actually, the picture on acemasage of her is someone else, less firm and petite and was more expensive than advertised. Started with a quick massage with lots of kissing and fondling, which moved onto a slow HJ tease and OWO. unfortunately every time I got wet, she had to stop and spit out "or i will throw up"... not a great turn on. She did try hard to overcome it to her credit and kept going nice and hard. She wouldn't take CIM but I came all over her tits instead. She had quite a tight pussy when i fondled her, but I didn't feel attracted enough to actually want to do her.

She tried hard, definately felt personal but not intimate not a great BJ either.
