The Premises:

Everybody knows about this place, its reputation is confirmed by Lilly telling me she has waited for 6 years to get a place here...

The Lady:

Dark hair, quite slim, wore standard uniform but with thigh length boots on..... quite delicious entered the room and was really really friendly

The Story:

started with a massage and then got into lots of things... kissing, tit sucking, reverse "o", anal on me with a dildo (new for this placce, normally it is with fingers and latex gloves), boot worshipping, and then a little waterports. very nice.... finished off shooting over her tits and she made me rub it into her and taste it.... This girl needs to stay at Victoria house, she is good at everything, really friendly, sexy and good fun...
