The Premises:

Nice quiet first-floor flat, just off the main Hagley Road.

The Lady:

As reported by brumbeat (FR #95601), and what brought these two to my attention. Chanice has been in the business for some time. She also does outcalls, and is a big, curvy lady whose best feature is her 38J titties. Nina is, genuinely, her cousin, and is brand new - this was only her second session. She is slimmer, though still curvy, and has lovely nipples. Best of all, she is a really nice person, with a very pretty face. Both are Asian British, and I thought that Nina's accent, in particular, was a rather well-educated one

The Story:

Parked in the space in front of these flats, telephoned up (the door-bell wasn't working) and Chanice came down to let me in. She introduced me to Nina (to whom I very much took a fancy), and showed me into the bedroom, where I sorted the money. Nina then joined us. I chose, as ever, to defer the massage until afterwards, so proceeded to play with those humungous 38Js while Nina gave some gentle attention to my dick, culminating in a nice OWO.

What followed was a constantly changing scene: OWO from Chanice, RO on Nina, and shagging in cowgirl, doggy and mish (Nina - who had volunteered to be fucked first), then cowgirl and mish (Chanice).

The grand finale took place over Chanice's tits and on Nina's Face. Throughout, the two of them had been playing around with each other.

The one slight downside was that Chanice was a little reluctant to open her mouth fully and use her tongue for DFK (though Nina became increasingly more accommodating as I worked on her and cajoled her - which was rather nice).
