The Premises:

Got this lady from SPD since I was passing by this way. Flat conveniently close to motorway. Off road parking and felt safe. Satin covered bed.

The Lady:

Very petite with great legs, cute bum and a shaven neat pussy. Boobs not big but perky nipples. Very welcoming, smartly dressed and sexy gear underneath just as I had asked.

The Story:

Cup of tea and then down to business in the bedroom. Lots of kissing and exploring. Gave me some good oral without before I went down to investigate her very welcoming and wet pussy.

We explored plenty of positions and with such a lovely little body had excellent deep and tight penetration. Came twice and still we were at it. Great time.
