The Premises:

Clean, tidy, clean towel and shower. Very nice new flat, only a couple of years old. Easy parking, if your not lucky enough to get a free space take a couple of quid for parking to save time.

The Lady:

Very very sexy, I know loads of reports on girls say the pictures do not do justice but honestly she looks good in her pictures and is even better in the flesh.

The Story:

I called to try and see Gisele but she was booked till 5pm, I was told Lea was free and stunning. I read her last report that said 'complete lack of empathy'. Thought I would give her a try anyway. Well this could not be further from the truth, she new exactly and understood my desires and ideas and played the part very very well.

If she was a girlfriend of mine I would be telling my friends I had hit the jackpot, the euro millions in fact on a double roll over week.

Lea you are a truly stunning, lovely lady and I only wish you were mine, you know exactly how to make a man happy. Yes I know its your job but at no time did you make it feel that way.

I have revisited girls like Lea for a second time and found it never to be as good. But on this occasion I am 100% going back.

Great kissing, touching, on request biting, a little slapping, talking dirty, fantastic sex in what ever position I asked, CIM to finish, (Lea sorry I bottled out of my request, you know what I mean ;-) lol) and the bit that sent me away even happier than all this we had a good laugh at the end while I was having a shower. Not rushed one bit and it was me that kept an eye on the clock certainly not her. Perhaps I was lucky and she did not have a booking to follow but I was not rushed on bit, this is one of the things that can make or break a good punt for me.

Lea thanks for a great time and I will be back as soon as I can make time to get in Milton Keynes.

I have been to House of Divine dozens of times and this is up there with one of my best visits yet, if not the best.
