The Premises:

Victoria House is a great place, Just off the M1 in Lutterworth. It has its own car park at the back. The facilities are first rate, and most of the staff are really top flight, good looking and nice too.

The Lady:

Marie is one of the best girls at Victoria House, with dark attractive, mediteranian looks, long jet-black hair, lovely eyes, and so very kind to me.

The Story:

I'd been seeing Marie for quite a while, but she suddenly dissappeared, and I was so upset, because i couldn't find anyone to suit me like Marie. Now she is back, and it feels just as before, I really don't like all this detailed discription of the physicalities you get on here, it seems so disrespectful, and Marie is such a lovely girl, for whom I have the greatest respect.

I always meant to do a report, so now Marie is back, and I am appreciating her all the more for the long absence, I'm having a go, but am not sure what to write, If you're reading this Marie, just believe me when I say how much I appreciate you. I so much enjoyed our session on Monday, and I look forward to many more. Please, please, please, don't go running off again.
