The Premises:

Flat near to MK shopping centre with plenty of free parking in front. Well positioned mirrors on the walls alongside and at the foot of the bed.

The Lady:

Attractive auburn haired lady in her mid 20s around 5'8" tall with a slim figure, long legs and a pert bubble butt.

The Story:

Helen welcomed me with a hug and a kiss and after dealing with the formalities of payment she returned to the room to help me out of my clothes before slipping out of her lingerie, leaving on just her hold ups. She then pulled me onto the bed for some lovely kissing (including DFK) and cuddling before she treated me to OWO finishing with CIM which I was pleasantly surprised she swallowed.

Whilst I recuperated we kissed and cuddled some more and had a nice friendly chat during which I discovered that not only is Helen smart and a great laugh (with a wonderfully infectious giggle!) she is also a fellow sci-fi buff, which was nice.

To start off round 2 I got down to some RO which she responded enthusiastically to. Helen then slipped a condom on me and got on top for some cowgirl position before switching to reverse cowgirl where I got a great view of her bubble butt. Next we moved into doggie position during which she climaxed, or at the very least gave an Oscar winning performance!

We then spooned a bit before she offered to finish me off with some more OWO which I gladly accepted. This time she knelt down beside the bed, next to the large mirror for a doubly great view, and demonstrated her deep throating skills with plenty of eye contact before finishing with COB.

A wonderful GFE with a lovely lady who really seems to enjoy her job.
