The Premises:

A short walk from West Kensington Tube station and you're there. Ground Floor Flat and she buzzes you in, simple. Nice flat, plenty of space and felt very comfortable.

The Lady:

This is Abi from Wallington relocated to West Kensington for good.

Very physically fit and about 28 I would say. She's very attractive with a naughty twinkle in her eyes.

The Story:

I was buzzed in and we sat down chatting for a while, her telling me how her laptop had blown up. :-) Offered a drink and just carried on chatting for a little bit.

Off to the bedroom, which was nice and cosy, not too small like some. Started with some DFK and she's a great kisser. She's got a superb bum, and I couldn't take my hands off it.

Unlike some girls who pull away right at the end of OWO/CIM, she knows how it should be done - other girls take note! Tried all the extras and had a great time with Abi.

She makes you feel very comfortable and chatting to her is certainly no struggle.

I was there 2 1/2 hours, so a clock watcher she certainly is not.

She does charge for extras, but I find this a suitable solution for those that do want them and those that don't. Either way, her rates are good value.

She gets top marks for me. Definitely has class, but can be a naughty girl at the same time.
