The Premises:

First time i have been to the honeypot and it is small, cosy 2 bedroom facility with bathroom too. receptionist Marie was lovely and suggested i see the new Indian girl Rani, which means princess, who started last week. I said 30 mins would be fine. ?45 buys you a full basic package for 30 mins, i think Amsterdam is/was 50 euros for 15mins. Either way excellent value.

The Lady:

I changed my mind when i saw just how lovely she was and after the first kiss, asked could it be 60 mins and therefore twice the price. She is mid twenties, size 10, hourglass figure, classic latino, sultry beauty with shoulder length, luxourious black hair. About 5f 5 in. Breasts enhanced at 34DD, though felt natural and were wow. In other words a goddess.

The Story:

i really did not want to send in this punt and i would like to have her for myself; though we punters do share really good tips and we probably wants good business. The hour was very much in the presence and i savoured it like a banquet. The details remain between us. Please be really nice with this gem guys, she probably knocks the spots off the big city extortionate escorts big time. Thanks darling xx.
