The Story:

This was my second visit to Allana and it was even better than the first. Of course looks are a matter of taste but for me it would be hard to imagine anyone sexier. And those boobs...! She doesn't offer quite as many 'services' as many Central London girls but what she does do (including DFK and OWO, the most important ones for me) she does brilliantly. Above all, she has a really sweet personality, calm, soft and sensual. Normally I can't come twice in the hour but Allana managed, with the help of some massage and really GFE-like cuddling, to bring about a deeply satisfying second coming.

Even if her English is not yet that advanced, she's great to talk with and clearly intelligent. An utterly delightful person, in both mind and body.
