The Story:

You know in a previous fr it was said that you could give up normal punting if you met Nina at Ego's..... I did not quite fathom that one thought it a little far fetched; hand me that humble pie No the big one OMG sensual,erotic can be replaced by one word Nina Downright amazing time spent with a really really nice person in the most itimately sensual surroundings. Nina does not just tick the boxes she makes them irrelevant. Life does not get better and its on the doorstep wowee!!! cannot wait for the next time and that will be much much longer booking.
