The Premises:

Small but smart flat in well-known block between Chelsea and South Kensington.

The Lady:

Very pretty in highly individual way, due to her unusual mix of Tunisian and Portugese heritage. Fantastic bum. Pictures on website are completely accurate.

The Story:

One naughty, sexy little minx. The January cold was not doing wonders for my libido but I had the hunch that Layla might be the person to re-kindle my fires. And she certainly did, beyond any hopes or expectations. Very friendly, down-to-earth and welcoming. Passionate kissing and up for most things (only 'no' is to A levels and taking photos, neither of which interest me). In addition to normal sexual things, she's also got a deeply kinky side, for those like me who are into such pleasures. I had a wonderful time and so, it appears, did she. Conversation afterwards also very enjoyable: fluent English, intelligent and interesting. Altogether very good indeed.
