The Story:

wow !after a great body to body massage she got down to business,and gave me the best oral I have ever had [and I have had plenty]she certainly knows what she is doing.I returned the favour and then we had equally fantastic sex.I had originally gone to see one of the younger girls but due to illness she wasnt there.lucky me this lady gets 10/10.she only does cover at the honeypot,she told me she usually works from her home in Doncaster.I will keep my eye out for her ads because I definitley want to see her again
