The Premises:

Close to Edgware Road Station - In a big block of buildings though the entrance not very easy to find - Clean and safe building

The Lady:

Close to her pictures on the agencies' site. Big, fake boobs; blonde lady with blue eyes and soft skin. If you like big boobs and blonde girls, she is your lady.

The Story:

It was not very easy to find the entrance to her place since it was in a big apartment block with many entrances. A little bit late but was no problem. I was greeted with a smile on her face in a very hot and sexy outfit. She was a professional and unfortunately, I was feeling that at every second of the encounter. Fake and excessive moaning and screaming during sex put me off a bit. Also the fake boobs were apparently sensitive so no squeezing or grabbing. Also any type of kiss on the lips is off the menu.

All this is a bit shame because she seems to be very intelligent with excellent English skills. Maybe our chemistry did not match, I do not know. Maybe good for other punters.
