very clean, close on entry to flat was swept and tidy. it is in a nice area with plenty of parking and you feel totally safe.

The Lady:

blonde stunner with a body you just want to fuck the moment you meet her. her legs are so fucking shapely and her arse is firm and lovely to hold. when you look into her hazel eyes you just think i am gonna fuck this gorgeous woman and get those legs over over my shoulders..... honestly! she is unbelievable beautiful.

The Story:

went to her organised party. when i turned up she welcomed me very openly as if we had known each other for years. she introduced me to the other girls and they were so drop dead gorgeous as well i thought i was dead and had gone to heaven.....i couldn't wait for the fun to start. when it did the girls split up into seperate rooms and you were left to choose who you wanted to go with, unbelievable bliss i can tell you. i watched selena start with a guy and then she was surrounded so i couldn't get near her - she was popular i could see that my god, she was munching on a cock and getting fuck doggie, it all looked so sexy. i moved around the girls enjoying whatever took my fancy..... doggie, blow job, kissing, wanking basically anything you wanted you got. i decided i was finishing with selena and was so glad i did. i lay back on the bed and she instantly buried my cock deep into her mouth. well, she just sucked and stroked until i felt my juice erupt in my balls and start its journey north. i gave her plenty of warning as they were full and ready to burst, but, selena just clamped on tighter and i exploded my full load into her mouth and she slurped every last drop. she looked at me and smiled and could tell i loved it and was content as i lay there totally spent and happy. thanks selena you were brilliant.
