The Premises:

Rented terraced house in a residential area not far from the City centre. On street parking nearby.

The Lady:

Great looking blonde, curvy in all the right places. In her early 20's and was dressed for the occasion in sexy Basque and stockings.

The Story:

I had met her before a while back when she was using a different name and was working in a Manchester parlour. She really enjoys what she does and what happened between us reflected that. Gives a great raunchy GFE that leaves you drained and weak at the knees.
