The Premises:

Tammy was working from a nice hotel today as she does not have a full time place to work from, she also visits within a reasonable distance.

The Lady:

Tammy is slim with fairly small boobs, just as I like them, pretty with a lovely attitude, the sort of girl you could take on a dinner date ----- personally I don't do dinner dates --- but if i did then she would be ideal.

The Story:

I have wanted to meet Tammy for ages, she used to work in Hitchin under the name of Regan and was highly recommended by a few members of the Punternet forum.

I had not actually spoken to her until I was outside the hotel which is unusual for me but because she had such a good reputation I did not feel the need to speak to her in advance.

I firmly believe that you can tell how a punt is going to turn out within the first few minutes and right away I felt at ease, despite the fact that I was old enough to be her Grandfather she treated me like a long lost boyfriend, if all WG's had this skill I would end up bankrupt.

I am normally a 30 minute punter but this lady was well worth spending the hour with, she was up for most things and seemed to enjoy trying new things, GFE seems to be her speciality but I sensed a streak of Domination curiosity, maybe I should give her some training.
