The Premises:

Place clean, very nice area, neighbouring a famous restaurant! Felt very safe, although one has to negotiate the reception area which was a non issue on the day.

The Lady:

The lady is exactly the one in the website, her pictures are genuine, some more recent than others, they give you an exact picture of how the lady looks.

Vicky looks much nicer in person, I really liked the website's pictures anyway (reason for which I decided to book).

The Story:

Vicky was very polite and playful during the phone booking, and she continued to be pleasant and accommodating all the way throughout our appointment.

She received me with a big smile and those wonderful blue eyes of hers, wearing a little sexy robe with sexy underwear to match.

After the practical arrangements were out of the way I was ordered on the shower :-), once back on the bedroom we decided to play together.

The experience was very pleasurable, Vicky is very understanding and did her best to ensure I was satisfied, which I fully was.

I wish I could have lasted longer, but Vicky is such a tempting lady that all was over sooner than I normally would expect, a testament to her care and grace.

Vicky, many thanks for a very enjoyable appointment.
