The Premises:

Very luxurious flat on the top floor of a block overlooking Ramsgate Harbour. Very discrete entrance. Rooms well appointed and good washroom facilities. Easy parking outside. Advise to take the stairs slowly - its quite a climb and you wouldn't want to be out of breath!

The Lady:

Stunning French lady mid twenties. Perfect figure and incredible french accent. Faultless.

The Story:

Ava is a lady who makes you weak at the knees at the outset. She is very attractive and very sexy. She has a great attitude which singles her out. Needless to say I thought all my christmases and birthdays had been rolled into one - you just don't normally get this lucky!

This is a great brothel as all the girls have a good attitudes and it is run very well with no compromise. This is not my first visit there but with the punting wilderness that is Kent this place is a gem and Ava is the diamond.
