The Story:

She is aka Aylin at 90 Minutes and Adel at Babylon Girls. Worse punt I have ever had! I have been punting for many years and used this agency many times before and have never come across anyone so rude! She had extremely bad attitude - said that because it was a half hour booking, it was not worth providing a normal service. Asked me to finish after 15 minutes into the session, saying "do you think you have a lot of time?" Her Oral technique was very poor - more like a half-hearted handjob with her mouth barely touching the tip of my cock. I was so put off that it was difficult for me to stay erect. She is clearly a clock-watcher who thinks that getting paid ?100 for half an hour is not worth her efforts! Avoid!!!
