The Premises:

Excellent 4 star hotel on the NW edge of Luton. Easy parking, very comfortable and safe. No entry problems. Tammy, whom I have known for a long time as Regan of Hitchin - now working independently - provided good directions and we met promptly at the appointed hour.

The Lady:

Tammy is simply stunning, and very hot, body tanned and toned. She's quite tall, 5'7, size 8/10, 34b, a lovely slim body and a great bum. Endless legs too. For me it's the eyes that do it though. She has more length to her hair now which frames her face beautifully.

The Story:

Tammy is pure class. She's fun, funny and intelligent.

She greeted me at the door, make-up perfectly done and dressed in an elegant evening dress with heels, looking immaculate as ever. Chatted for a while - quite a bit to catch up on - but it wasn't too long before we peeled each other's garments off and embarked on a couple of hours of wonderful uninhibited sexy fun.

We kissed, caressed and explored each other's bodies to our mutual satisfaction. Sex in various positions with her riding me out in front of the full length mirror. So erotic, and a sight I do not tire of. Tammy just loves sex, and if you know how will respond genuinely and with an intensity that is nothing short of thrilling. She tastes and smells wonderful and delivers on so many levels.

Tammy is very adaptable and will give you the most unforgettable gfe. No clock watcher, in fact my 2hrs extended to two and a half. Already booked to see her again next week. Definitely an experience I would recommend - don't miss out, she is a diamond.

Good luck as an indie Tammy, aka Regan, live long and prosper xx
