The Premises:

In a block of flats, lots of parking and call button so discrete location. Nice bedroom kitted out with a rack of uniforms and feminine boudoir items.

The Lady:

Thought i would try 2 ladies experience though hesitated until i was sure what it covered. Decided not to go for 60 min or even 45 min as no kissing by either woman and only one was for full sex. Gina was mid 20's lovely body, pretty, great small pert breasts and pussy. Gia was i think a blonde (wearing a piece?) and lovely pussy. Both ladies very pleasant and chatty.

The Story:

i choose Lush and it was wonderful moments. Had cow girl, top and doggie and came. Hard to hang on, she is very good plus Gia, stroking and allowing me to finger her when both in doggie made sure i was well excited. A good punt, thanks ladies xx.
