### The Premises:

Standard Hotel room with a bit of space

### The Lady:

Just as the Pictures, a really friendly girl a sense of humour and all the right bits in all the right places. Tall with long legs and a wonderful arse. Wearing trouser so tight you could tell how much change she had in her back pocket.

### The Story:

Great fun, a really good and entertaining time, took care of all my little foibles, and gave me a good seeing too!
