The Premises:

nice disceet cottage backed off a main road in a nice area. it was very clean and tidy in side. furnishings comfortable and modern. made to feel welcome, offered different variety of refreshments.

The Lady:

wow what can i say she is a stunner. petite in body frame but her legs looked long. she is a cute blonde really attractive, green sparkly eyes and a lovely complexion. all in all a sexy little minx.

The Story:

its fair to say that this girl is very good at her job and quite obviously enjoys what she does. she started off with a sensual massage which involved her rubbing her tits all over my body followed by me giving her some oral pleasure which she seemed to enjoy then she returned the favour(wo) looking deep into my eyes. i had to ask her to stop, didnt want to finish there and then! she climbed on top for some cowgirl and im afraid it was all over for my little man. she certainly knows what shes doing and shes very nice with it. i will definately be back and hopefully next time i will last a little longer.
