The Premises:

this was my many vists here, its very clean, nice area, and you feel safe when you are in, just only down side to the place its easy to be spotted as its on a busy road but if you wait a couple of mintues then you can go when its clear. and this place you are only allowed to cum ones.

The Lady:

first time i have seen this women she one if not the best there- drop dead stuner 34 big tits, long dark/ blond hair and green eyes, ass is very great.

The Story:

very chatty, lovely massage and oral is great, re paid her by going down on her, and and no extra charge she let be lick her ass- one of best things about her, great. after done 69 went to breast then doggy enjoyed to much but after i cumed she let me keep it in her for a bit, after she cleaned me up, and kissed for ages and talk about each other and she even let me play with her ass and feel it again.
