The Story:

The site wrongly discarded an earlier report from a few years ago (for someone else) as "fake", but it's not. I just don't write that often.

The agency set up the meeting at relatively short notice, and it went smoothly. Jean met me at the door, friendly, welcoming and attractively dressed in lingerie. She joined me in the already prepared hot bath, during which we discussed what to do next. Since I had never had one, and she rather specialises in them, I opted to try a prostate massage as part of a general massage (and then we'd see). The general massage and OWO were great and got me going; the more intimate part was remarkable, and completed the task of getting me going. I think it is an acquired taste, though. Since I was hard and keen, and she kneeling on the bed was extremely attractive, I felt I needed something more. On with the condom, and then a long, most enjoyable exploration of her body with lots of caressing and kissing, loving the feel of her great body against me. Lovely and smooth, inside and out. Beautiful face. Nice chat to follow.
