The Premises:

World Famous Babes Bury is IMHO the best parlour in Manchester from point of view of it being very clean and having a personal touch that other parlours can't match (you can saunter in, have a chat with receptionists and girls, get offered a drink and generally relax) - WFB is and always was strong on it's no-rush policy .. And you can generally always tell a girl that has "served her apprenticeship" there -- they take that same no- rush attitude with them to other parlours --- If you've not been there you really are missing out

The Lady:

Storm look HOT - early 30's blonde page3 stunner-type extremely well toned, tanned long legs, great firm peachy arse, tastefully enhanced (big) set of juicy jugs, good classic beautiful face and as I was soon to discover has a real neat little snatch (well manicured, clean as a whistle and very "go-downable" on

The Story:

This girl has class - really puts you at ease, laugh-a-minute classic Manchester accent and sense of humour.. Ticked all my boxes (snogging, pse, gfe, slow-sensual-fuck, fast-frantic-fuck, licking, sucking, mutual pleasure, totally uninhibited arse in face antics which made for a fantastic session the climax of which left me feeling as though my balls had been wrung dry - thanks Storm -- great job!

I'm going back for more soon to try some of the things we didn't get round to trying on round1... (can't wait!)

ps - oh yeah forgot to mention- I know it's not what we're supposed to go for but Storm is ace to talk with and generally chat to. She's got a lot of knowledge and expertise, is a true professional in her field ... GREAT COMPANY!
