The Premises:

Location was discrete, although I was on foot there is parking available outside. Thought the house could have been better decorated and a little tidier but I wasn't there to look at the decor.

The Lady:

Blonde shoulder length hair, fair complexion. I'd say about size 12 and about 5'5". Glorious tits, large and bouncy. Arse was superb, plenty to grab hold of. Pussy was completely shaven.

The Story:

I have been punting for a while now although I rarely submit reports. I was made redundant during the recession so can't afford some of the more expensive girls out there that I used to. I had 50 sods to spend and had heard good reports about Nicole so for 50 sods I thought I would try her out. Guys you will not find better value anywhere else. She was one dirty fucking whore. Everything I wanted to do was on offer and I like it dirty (except anal). I reckon I was there for 45 minutes including shower on arrival and a massage at the end. I will most certainly see her again, she more than compares with some of the expensive girls I used to see.
