The Premises:

Easy to find flat just off Marble Arch. Shares with 2 other girls, not much privacy. Shower is next to the living room so you have to walk through everyone. Bedrooms are connected, heard another punter in the room next to me.

The Lady:

Huge natural boobs, nice to suck on. Quite big, not very attractive and has a massive mole on her back, ugly to look at.

The Story:

Nice enough woman, should have probably left as she's been heavily photoshopped but was amazed by her boobs. OWO (had to ask though) and then some mish. She's a bit lazy and wanted to lie down. Turned her over and did her doggy, finished up.

Didn't bother sticking round for the last 20 minutes as it was obvious she's not into it. Very robotic. Have had better service from other, more attractive girls.
