The Premises:

this lady covers a visiting service only,brought a bag full of interesting toys with her, from the start she made me feel comfortable and at ease, she covers all types of fantasies, and is fully equipped ;-)

The Lady:

with long dark hair and a tidy size 10, she is in her 30,s but when you meet this lady age is the last thing on your mind. she looked very well presented and looked extremely unlike what her trade generally represents, great as far as neighbours go!

The Story:

specialist in domination and took total control from the start,started by playing with one of her numerous gadgets,this lady might cover fantasies but she is the average mans naughtiest fantasy! friendly, fun , wicked sense of humour what else can a guy ask for!!
