The Premises:

Nice place near Bayswater and Royal Oak, says she just moved in.

The Lady:

The photos of Suki really don't do her justice, she is stunning. Slim, natural boobs, and a body to die for she really is a girl you cannot miss.

The Story:

Called the agency and asked for a recommendation around Bayswater. The guy on the phone was very helpful answering all my questions and suggested Suki. Was offered a drink so had a Coca-Cola and then took a shower with her. Into the bedroom she seemed a little shy at first but wasn't long before it was all action. Her blowjob really is something else and is out of this world. It didn't take me long to shoot my load in her mouth. After this she had no trouble warming me up again and from here we had sex in all kinds of positions, as well as anal. Pulled out and shot my load over her face to finish and left a happy camper.
