The Story:

On ringing beforehand was asked what I would like Crystal to wear when greeting me opted for bra and panties and was welcomed warmly,into the bedroom to disrobe after which was treated to a sensual massage with oil and various toys lovely,could feel myself wanting to explode,was asked to turn over and was blindfolded before again enjoying some very erotic times Crystal is an expert with her sex toys was given oral before moving on to the doggy will not say how we both finished but it was a satisfying conclusion for both of us.
