### The Story:

Toni arrived at my hotel on Newcastle Quayside, I met her in the foyer and we had a drink and got to know each other a little better, she showed plenty interest in me, was well dressed and a pleasure to spend time with.

We then to my room, i wont go into detail, but will say you will not be disappointed if you give her the respect she deserves as a person and she will comply with any reasonable requests you may have.

If only other escorts had her attitude and professionalism and warmth and understanding.

The time we shared was a lovely experience and cant wait for my next vist to Newcastle.

Thanks Toni will see you again very soon.
