The Premises:

As you'd expect from this parlour, it was clean and tidy, though I did have trouble getting the shower to work in the back rom upstairs.

The Lady:

Tall, blond, pretty and a full curvy figure with cracking tits, Ashley's photos on the HO website don't quite do her justice - a fact she mentioned

The Story:

Standard session for ?40 but Ashley told me she does a whole host of extras, which I might opt for next time if I'm not as poor as I am at present. Ashley gave me a good CBJ followed by a ride with her on top. I couldnt last long as it had been ages, but it was good for the minute I was inside her. Friendly and relaxed girl - check her out - she's just back in the business after some time off
