The Lady:

Size 16, flabby not pleasant to look at.

The Story:

Advertises on the other site.

Phoned beforehand was told ?50 for FPS plus "small extra " for Anal and CIM.

Arrived shown up to cluttered dirty room with stained bed linen.

Price then jumped to ?100 for FPS and Anal, plus even more for CIM. Told her not to bother, ready to leave when she said ?90 "for everything"

Her personal hygiene was not good.

Started with perfunctory massage then got out a durex for oral. I told her it was OWO but she "later for CIM".

Performed poor oral then I got on top and started giving her seeing to

Asked for the A service, flatly refused and said she never agreed to it, said if I wanted an argument her 6 foot 7 inch son downstairs would see me right. Never even finished, got up and left in disgust.

This woman should be avoided as the plague. She is a cheat and gives other decent working girls a bad name
