### The Premises:

### The Lady:

slim attractive very young looking girl from greece ( told 19 by the maid ). petite tanned around 5'2 with large round breasts & cute face.

### The Story:

confronted by another young firm busty angel.. have just returned from a holiday surrounded by some gorgeous young girls particularly one on holiday with her parents around 17 who i fantasised about all week, always wearing skinny jeans and a tight top with a lovely figure and breasts trying to escape from the top with every deep breath. thank you for soho where i can live out these fantasies.

Took out all my frustrations on the lovely young nubile victoria. she greeted me oozing out of her bra and panties looking so perfectly innocent. paid for bj & sex. she returned and stripped nicely before a wonderful bj , lots of licking up down & around before my cock slipped further down her throat with good depth , suction & rythm. In between a couple of these moments she moved up my body and placed my cock between her breasts while i lifted my buttocks & squeezed her full firm cleavage around my throbbing member with her cute angelic face smiling close to mine. At this point she tried to extract more funds with promises of a more intimate service but as i was more than satisfied with the current proceedings i politely declined and we continued with no problems.

After a short while she moved onto her back and i lifted myself above her looking down enjoying the look of submission on her young fresh face knowing she was about to be fucked by the throbbing cock of the punter poised above her. Her plump chest was heaving with the anticipation & resignation of her current situation, her short slim stockings legs spread wide apart. I pulled her body further down the bed to give us plenty of room and slowly pushed my cock into her nicely tight wet pussy as she moaned slightly then fucked her till my cock exploded & my juices flowed watching her face contort and noisily encourage me the whole session while feeling her body beneath me , taking my time and eventually releasing her from her engaged position beneath me.

Finally i dressed while watching her slip back into her underwear and then standing innocently with her back to me before i was ready leave. as i left whispered in her ear that i would be back latter after a few beers to give her a further more thorough seeing to.

Another must see and thoroughly recomended girl in soho - have fun boys !
