The Premises:

As reported before. Industrial unit, about 30 minutes walk from train station. Very quiet and discrete.

The Lady:

Tall and well built (but not fat). Mid 20's and very chatty. Makes you feel comfortable immediately. Laughs very easily. Very down-to-earth.

The Story:

Been to this place before, but never submitted anything. Think it's about time, as most of the girls in this establishment are excellent. Manager and receptionists at this place are very helpful and always eager to please. For Louise, the ceiling is the limit and you can do pretty much anything you want! Her oral skills are particularly masterful.

A very enjoyable punt and I can wholeheartedly recommend.

Louise is not the slimmest of girls though and hence, very busty to boot. Not all guys may like this, but she's certainly enthusiastic enough to make up for that!
